

SPUR good deeds with us

SPUR engages, inspires, and connects individuals of all ages with meaningful volunteer opportunities that meet tangible needs in our community, in collaboration with local partners.

Each volunteer opportunity takes less than two hours and requires no long-term commitment, making it easy for anyone to show up, lend a hand, and help kindness grow.

The SPUR Annual Fling raises nearly 25% of SPUR's annual operating budget through ticket sales, sponsorship, live and silent auctions and live giving opportunities. This year, the Fling is the evening of Saturday, March 28, 2026, at Danversport Yacht Club. We invite you to join us and join our Community of Doers.

Our 2025 Impact

- 1,000+ unique volunteers
- 50+ nonprofit partners
- 700+ local children supplied with supplies for the first day of school
- 2,000+ lbs of produce grown for local food pantries and group homes
- 6,000+ lbs of food rescued and delivered to those facing food insecurity
- 600+ Bundles of Cheer shared with children, as well as and adults experiencing homelessness

As the only nonprofit on the North Shore dedicated to creating accessible, hands-on opportunities for giving back, we help community members discover the joy and fulfillment that come from making a lasting impact.
